# Optical Adhesive Film

This catalog presents an optical adhesive film from CNCGLASS. The film is supplied in roll form as a thin, even web intended for optical bonding work. Thickness, optical values, bond strength, and packing arrangements are confirmed with each enquiry.

*Figure 1. Optical adhesive film, shown in overlapping rolls.*

## Supply

CNCGLASS can discuss the grade that fits the intended assembly, the width and length of the roll, and the packing that will travel cleanly to the line. For a quotation or for a detailed property sheet, please write to CNC@CNCNEXT.COM.

## Commercial Notes

Please contact CNC@CNCNEXT.COM for pricing, available dimensions, and packing details for this optical adhesive film.
